

Instructions

Welcome

The following study is interested in looking at social interactions.

Several screenshots of conversations have been taken from Reddit, with the consent of users for their images to be used during this study, provided any identifiable information is anonymised.

Please imagine that you are participating in the interaction while reading the dialogue.

After each interaction, you will be asked a few questions about your experience.

If at any point you are uncomfortable, you can withdraw from the study by closing the tab.

Let's start
